

WFNMC Executive Meeting 2

27/07/26 4:40pm local time (Kuala Lumpur)

Present: R Geretschlaeger (RG), K Bankov (KB), D Crawford (DC), S Ramly (SR), A Soifer (AS)

Online: K Ciesielski (KC), L Donner (LD), M Losada (ML)

RG opened the meeting by saying he hoped it would only be a brief one. He congratulated those who had been elected and welcomed SR and LD to the Executive.

RG checked with KC and LD whether all had worked online during the meeting. KC said he had missed RG's opening speech, which he was sorry about, but that everything else had seemed to work well from his perspective.

RG noted the comment at the end of the General Meeting where Armenia was suggested as a possible venue for the next WFNMC Conference and said he hoped that would be possible.

ML joined the meeting at that point and said that she was happy to have received some articles for the next issue. RG suggested that she should be receiving more for the future as well from those who gave talks at the conference.

The meeting closed at 4:48
