

**Paul Erdős Awards**  
**CALL FOR NOMINATIONS**

Dear Members of the Executive, Regional Representatives, and all other colleagues,

It is time to nominate for the Paul Erdős Award 2026 of the World Federation of National Mathematics Competitions (WFNMC) major contributors to mathematics competitions and other major means of enrichment of mathematics instruction, in their countries and/or the world.

Letters of nomination, supporting materials, curriculum vitae, list of publications, and the list of references with their titles, addresses, phones, and e-mails, should be forwarded to prof. Kiril Bankov ([kbankov@fmi.uni-sofia.bg](mailto:kbankov@fmi.uni-sofia.bg)), Chair of Paul Erdős Awards Committee. Please refer to the Awards section of the WFNMC web site <http://www.wfnmc.org/> for detailed description of the requirements for nominations.

All complete nomination packages, received by November 30, 2025, will be given a full consideration.
