

WORLD FEDERATION OF NATIONAL MATHEMATICS COMPETITIONS

The Inaugural Meeting of the World Federation of National Mathematics Competitions (ICME-5, Adelaide, 28 August 1984)

Twenty mathematicians from ten countries attended the inaugural meeting of the World Federation of National Mathematics Competitions. It was agreed that there was a general need to set up an organisation which would be a focal point and a resource centre for mathematicians who were concerned with, or would like to be connected with, national mathematics competitions.

The following committee was elected:

- President : Mr. Peter J. O'Halloran (Executive Director),
Australian Mathematics Competition,
Canberra College of Advanced Education,
P.O. Box 1, Belconnen, A.C.T., 2616, AUSTRALIA.
- Vice Presidents : Professor Ron Dunkley (Executive Director),
Canadian Mathematics Competition,
Faculty of Mathematics,
University of Waterloo,
Waterloo, N2L 3G1, Ontario, CANADA.
- Professor Walter Mientka (Executive Director
of the AHSME),
Department of Mathematics,
University of Nebraska,
Lincoln, Nebraska 68588, U.S.A.
- Professor Pierre-Olivier Legrand,
B.P. 5518,
PIRAE, TAHITI,
French Polynesia.
- Secretary : Mrs. Sally Bakker (Manager),
Australian Mathematics Competition,
Canberra College of Advanced Education,
P.O. Box 1, Belconnen, A.C.T. 2616, AUSTRALIA.
- Editor : Mr. Warren Atkins (Deputy Chairman,
AMC Problems Committee),
Canberra College of Advanced Education,
P.O. Box 1, Belconnen, A.C.T. 2616, AUSTRALIA.
- Committee : Mrs. Maria de Losada,
Universidad Antonio Narino,
Calle 20 Sur # 13-61,
BOGOTA, COLOMBIA, SOUTH AMERICA.
- Mrs. Erica Keogh,
Mathematics Department,
University of Zimbabwe,
ZIMBABWE.
